

CoE Alumni Reunion 2017

Batches 2002 to 2013

INTRODUCTION

Once again after a success of last year's alumni reunion, the College of Engineering, PAF-KIET has planned 2nd alumni REUNION in Dec. 2017. Any graduate who has completed their degree by Spring 2017 are welcomed to attend the reunion event.

DATE/VENUE

Date: Sat, 23rd December, 2017 from 7.00 pm to 9.30 pm (strictly followed)

Venue: PAF-KIET (Main Campus), Korangi Creek

HIGHLIGHT OF EVENT

Besides the opportunity of meeting all of you once again, the College also intends to acknowledge your performance in the corporate world. For this purpose, BEST ACHIEVER AWARD and BEST ENTREPRENEUR AWARD will be given to outstanding professionals. This will be through a self-nomination process. The form is placed on the Coe Alumni webpage. Desirous graduates may submit it online latest by 18th Dec 2017.

The submitted forms would be assessed by the College Jury and your performance/ achievements confirmed from your supervisors and individual awards will be announced at the Reunion event.

EVENT DETAILS

The Corporate Department will initiate formal invitations in Dec 2017 to the students of these batches on the email addresses held in the databases. Additional information is being placed on the College's website which includes a pop up message etc.

All alumni are required to register themselves on the link give on the CoE Alumni webpage. Database will be automatically be updated. Your concurrence to attend or otherwise is important. Your SPOUSES can also attend free of charge. Children however cannot be accommodated.

There is no advertisement being placed for this event. We will utilize the power of the social media. We will be nominating "Batch Ambassadors" on WhatsApp who will use their cronies' network to spread the word. Volunteer graduates are requested to inform the administration of this event.

NB: All instructions will be communicated on the CoE Alumni webpage. Open it regularly for important updates

TRANSPORTATION

PAF-KIET CoE will offer transport service from city campus to main campus and back on the event day. Those who are willing to avail the service should reach city campus latest by 6:15pm. The point will leave for main campus at 6:30pm sharp. Once the event is over, the point will leave from main campus for city campus at 9:45pm. This service is free of any charge.
